

Dear Sir/Madam,

**RE: INVITATION TO myBIGOrder – ORDER TAKING APP AS A MERCHANT & #BuyersRushWeek**

myBIGOrder is an integrated Order Taking App comprising Merchant App, Drivers App and the Customers App where customers Search, Find and Order for physical products, digital products and services. This new innovation in Kenya connects both Existing & New customers/buyers directly to Merchants.

This is an official invitation to your company/self to **myBIGOrder** #BuyersRushWeek launch happening on Saturday May 5th, 2018 from 8:30am – 2:00pm at 680 Hotel, Nairobi. The event is a formal platform that brings together all Businesses, Service Providers, Companies, Startups, SMEs, Retailers, Wholesalers, Industries, Merchants, Buyers and Drivers prior to the massive #BuyersRushWeek beginning Monday May 7th, 2018 – Sunday May 13th, 2018.

During the launch, our aim is to connect all the merchants and drivers in a single place, where they can have all their questions and issues addressed for easy coordination during the #BuyersRushWeek that will be happening monthly.

Merchants who would like to participate in this event are encouraged to list as Merchants on our website and upload their products/services then reserve a display table for their products/services. Each Business is allocated 2 slots which must be reserved online before the closing date.
